

Matthew Edwards

Project Manager

Education: Bachelors of Business Administration
Engineering Route to Business (Finance & Architectural Engineering)
University of Texas at Austin

Certifications: LEED Accredited Professional

Experience: Mr. Edwards is currently managing over \$400 Million dollars of ground up construction as the lead project manager for The Smith Center for the Performing Arts in Las Vegas, NV. While on site, Mr. Edwards reviews and maintains a master project schedule, monitors the progress of LEED accreditation, provides commentary on budget estimates, assists in the selection and contract negotiation of contract service providers, and assists in the Owners direct purchasing program.

Prior to his Smith Center assignment, Mr. Edwards worked on the Richmond CenterStage Performing Arts Center in Richmond, VA.
