Experience

Ms. Dickerson has 33 years experience in real estate development and project management. Her background includes responsibility for management of the 160-acre master planned development of City Place, a mixed-use office, retail and residential project in Dallas, Texas and managing the design and construction of all new projects for the Bass family interests in Fort Worth. This represents over \$1 Billion in construction/development since 1988. Since forming her own firm – The Projects Group – she has concentrated in Performing Arts and Museum projects and overseen a variety of construction and master planning projects. Examples include Bass Performance Hall in Fort Worth, TX; The Carpenter Theatre in Richmond, VA; The Tobin Center for the Performing Arts in San Antonio, TX; The Smith Center for the Performing Arts in Las Vegas; and the Gaillard Center for the Performing Arts in Charleston, SC.
